Paradise Township Waste Service Guide 2022

Dear Paradise Township Residents,

Paradise Township passed Ordinance 2021-03 in July of 2021. This new ordinance states that the township will have 1 hauler that is approved to be the contracted trash provider. If you currently burn your trash or have a commercial dumpster on-site, you can continue doing that under this ordinance, but if you have residential trash service, Republic Services will be the new hauler. On November 8, 2021, Paradise Township accepted bids for this new contract. Republic Services was the only bidder and was awarded a 3-year contract to be the exclusive hauler in Paradise Township. The board of supervisors elected the bid option for trash-only pickup with Republic, as the township provides free recycling drop-off for residents at the township building and the recreation park.

Republic Services will be setting everyone up for this service effective January 1, 2022. If you are a resident who burns your trash or has a commercial dumpster, please call [800.210.9675](tel:800.210.9675) to let us know, and we will not process an account for you.
